

## Welcome to Malmö Baseball!

How amazing that you want to try baseball! It is important that you fill in the information on the attached form and submit it to one of the coaches or fill it out digitally and send it to our e-mail, so that we can register you as a member. It is also so that in case of accident we will have the chance to contact your relatives.

You can practice with borrowed equipment for two weeks. Afterwards, you must rent from us or buy your own equipment. During those two weeks, you also do not pay a fee.

After you have participated in your third training, you will receive an invoice for membership and game fees. After a paid membership fee, you as a player are also licensed to play in games of the Swedish Baseball and Softball Association.

The Swedish Baseball and Softball Association provides, in addition to a basic insurance, accident insurance for active players. Youth players (up to and including the calendar year they turn 15) have insurance coverage regardless of membership or license. For older players (from the calendar year they turn 16), both membership in the association and a license are required to be covered by the insurance.

If you have any questions regarding membership or equipment, you can talk to one of the coaches or email us. They can help you with most things. If you want to buy equipment, we recommend [www.forelle.com](http://www.forelle.com) or [www.fielders-choice.de](http://www.fielders-choice.de) and Malmö Pilots equipment you buy at [www.americansportsoutlet.se](http://www.americansportsoutlet.se) (select Malmö Pilots under Team Gear).
