February week 5

Now the weeks are flying past fast and even if we have a proper winter outside it is starting to feel as if spring is on it's way into the ice rink. Show training has started and it's great to see the different numbers come together. The show numbers and the music is ready and Therese and co have done a great job which Karin will now take over to make sure the final details are in place still with the help of Theres when she has time. It feels great that we all pull together and help each other when it is really needed.

We also want to inform you that Karin (our head trainer) will start studying in the autumn. This means that she will no longer be able to work as much as she has done before. We have big trust in Karin and the possibility is that she can continue training our children however not as much as she has done before. Within a few weeks we will be publishing an advert for a new head trainer.

Kakservice - As the information and leaflets were sent out later than planned we will extend the sales period by a week. The last date to place your order is 10th February. To register and place your orders please follow the link:

<https://www.kakservice.se/minasidor/BELEDU>

If you have any questions you are welcome to contact Magnus, Emily, Viktoria or send an email to:

okksaljaktivitet@outlook.com

Show photo shoot - This will take place on Monday and Tuesday week 9. The schedule for the photos will be published on the web-page under the tab 'Show' and will also be put up on the notice board outside the changing room.

Work in the committees - The board members who are responsible for the committees (working groups) have gone through the groups to balance the number of members in each. We want and wish that you parents and skaters (over 18 years) feel you have been placed in the correct group based on what inspires you and what motivates you. The changes that have been made have been checked with the people who have been affected. The cafeteria and lottery committee will soon be invited to a short but efficient information meeting.

We (the club) are in great need for people to the sponsor group. PLEASE....LET US KNOW IF YOU FEEL THAT THIS WOULD BE FUN. Even if you don't want a permanent position in the sponsor group there is a great need to help them out during the spring. CONTACT US! YOU ARE NEEDED!

Half term - During half term week 8 we will change the training times. To keep up to date on the changes we ask you to regularly check the web-page where the information will be posted on a regular basis.

Competition/test - If you get questions about competitions or tests from other clubs this needs to go through our trainers. The same applies if there are any questions that should go to the Swedish skating federation or Skånes skating federation - these should all go through our trainers or the board members.

Skateshop - We now have a new supplier for our skate shop and we have stocked up with new items. Our new supplier is Teijas and they offer all our OKK members a 10% discount on all their stock (not the already reduced items). To make use of the discount and get a discount code please contact Jessica Carzborn on email: p.carzborn@hotmail.com

The fridge- This is a reminder that everyone should remove their old/half eaten snacks from the fridge. This is important so everyone has room for their snacks and for hygiene reasons.

Lottery prizes - Please do not forget to hand in 3 lottery prizes/skater. The prizes can be left in OKK's kitchen in a bag/box with the skaters name and group. The lottery committee would prefer not to have prizes with any kind of sell by date for example food or hair/skin products. There is a risk that these prizes expire and become useless.

See you in the ice rink!
